RE: PAMELA BULL v. PGW – FILE C-2023-3042007

ATTENTION: Rosemary Chiavetta, Secretary

Dear Secretary Chiavetta:

With respect to PA Code 5.533 and 5.535, I am filing Exceptions to the January 31, 2024 Decision in the above matter.

During the fall of 2023, I had a conference call with the Public Utility Commission (PUC) and the Philadelphia Gas Works (PGW) concerning the past due monies that are owed to PGW by me.

At that time, I explained to everyone the type of income that I receive, specifically from the United States Department of Veterans Affairs. That is the monthly income that I receive because I am a 100% disabled veteran of the United States Army.

I explained that I also have monthly expenses that would not allow me to pay the amount of approximately \$1,400 to PGW as ordered by the PUC. I did inform everyone who was on that conference call that I was only able to afford to pay the \$136.00 that I have been paying to PGW each month.

I am asking for your grace and for a dismissal of all of the PGW charges against me. I am doing my best by continuing to pay monthly. I am sincerely pleading for your help in this situation. Please help me.

Thank you.

Pamela Bull
