Good evening Your Honor,

As requested, attached please find Matt's Late Filed Exhibit of the Complainant's customer contacts. It took some time to get the material as I no longer have an account with AT&T and getting the records were a bit cumbersome.

Furthermore I object to the late exhibit filed by PECO as it is not complete and does not encompass the time frame from when the problem or electric issue occurred which was the beginning of December 2022. My attachment includes the communications for the month of December 2022.

Best,

Matt
