Re: Joint Application of American Transmission Systems, Incorporated, Mid-Atlantic Interstate Transmission, LLC, and Trans-Allegheny Interstate Line Company, Docket Nos. A-2023-3040481, A-2023-3040482, A-2023-3040483, G-2023-3040484, G-2023-3040485, G-2023-3040486

Dear Secretary Chiavetta:

Please be advised that Petitioners American Transmission Systems, Incorporated, Mid-Atlantic Interstate Transmission, LLC, and Trans-Allegheny Interstate Line Company (the “Joint Applicants”) will not be filing Exceptions to the Recommended Decision issued February 23, 2024, in the above-referenced proceeding. In addition, the Joint Applicants understand that no other party to this proceeding will be filing Exceptions to the Recommended Decision. *See also* Joint Petition for Approval of Settlement of All Issues ¶ 46 (confirming that “[i]f the ALJs recommend adopting the Settlement without modification, the Joint Petitioners waive their right to file Exceptions).

In order to facilitate the closing of the subject transactions early in 2024, the Joint Applicants initially requested that the Pennsylvania Public Utility Commission (“Commission”) approve the above-captioned matter at a February 2024 public meeting date, but subsequently updated this request to a March 2024 public meeting date as indicated in their Prehearing Memorandum. The public meeting scheduled for March 14, 2024, is the only public meeting planned for March 2024. Therefore, and based upon the Joint Applicants’ understanding that no party intends to submit Exceptions to the Recommended Decision, **the Joint Applicants respectfully request that this matter be placed on the Commission’s public meeting agenda for the March 14, 2024 public meeting for review and approval by the Commission.**
