Request for Information

- 1.) Regarding question 10 on the application, you state that your service area would be:

To transport people in wheelchair and stretcher vans in the city of Philadelphia to points in Philadelphia County and return. Note that currently, you have no vehicle at all, and the one you mentioned being in the process of buying will not have the capability as you described it for either wheelchair or stretchers. You cannot offer services you are unable to provide. Your territory must be revised, you can only mention wheelchair or stretcher capability if you currently have them. Additional services that may be provided in the future would have to be on a revised tariff at a later date. NOTHING can be offered as a service now that you are not prepared to provide now.
- 2.) Certification does not occur without insurance. Insurance cannot be secured without a vehicle. Failure to provide insurance is the exact reason for three prior dismissals of your cases with Mhakaidar LLC in the past.
- 3.) What company or companies did Mr Pierre work for to gain experience? What experience does any other of the members have to run this type of business?
- 4.) Your statement of financial position does not include enough assets to purchase the vehicle you describe as well as paying insurance premiums, with nothing in reserve in case of an accident or the need of a repair. Do you have other finances available? Is the vehicle being purchased with other funds? Please explain in detail.
