Dear Rosemary Chiavetta,

In your Order dated November 9, 2023, you advised me that the Commission reversed the Initial Decision of the ALJ to dismiss my case and remanded the matter to the OALJ for such further proceedings, as deemed necessary, consistent with the opinion and Order.

This is to advise the Court and OALJ that I will be out of town until April 12, 2024 and will not have access to my mail or to sign for any certified correspondences. However, I can be reached at my email, radams223@yahoo.com or telephone number 570-713-4591.

Thank you
