Dear Commission,

I am writing this additional letter in correspondence with one that was sent earlier today, file number 2560238.

I accidentally hit submit before adding in an additional piece of information. Attached along with this letter is a screenshot of Northeast Movers website. They falsely advertise, consequently misleading Pennsylvania residents, on their website as being able to perform household moves within the greater Scranton Area and points between Pennsylvania. Again, as pointed out in my original letter, this proves that they have been and continue to perform illegal moves within the state of Pennsylvania.

Please feel free to contact me with any questions.

Best Regards,
