PETITION FOR EXTENSION OF TIME

NOW COMES Peoples Natural Gas Company LLC (“Peoples”) and, pursuant to 52 Pa. Code § 5.41, petitions for an extension of time to complete the work that has been approved in the captioned matter. In support of its Petition, Peoples states as follows:

1. The name and address of petitioner are Peoples Natural Gas Company LLC, 375 North Shore Drive, Pittsburgh, PA 15212.
2. The name and address of petitioner's attorney are Meagan Moore, 375 North Shore Drive, Suite 400 Pittsburgh, PA 15212.
3. By Secretarial Letter dated February 9, 2023, the Pennsylvania Public Utility Commission (“Commission”) granted Peoples’ application in this matter and directed that “The alteration of the crossing be completed on or before February 29, 2024[.]” Due to construction and property-related issues, Peoples was unable to complete the approved alteration by February 29, 2024, and now projects that it will be able to complete the work on or before February 28, 2026. Construction of the work was delayed due to a combination of crew availability during the 2023 construction season, and property disputes with impacted landowners.
4. Accordingly, Peoples respectfully requests an extension of time to complete the alteration of the crossing from the February 29, 2024 due date contained in the February 9, 2023 Secretarial Letter to an extended date of February 28, 2026, and that Paragraph 8 of the Secretarial Letter dated February 9, 2023 be modified as follows:

8. The alteration of the crossing be completed on or before ~~February 29, 2024~~ February 28, 2026, and that on or before said date Peoples Natural Gas Company LLC, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plan and this Secretarial Letter.

Wherefore, Peoples Natural Gas Company LLC requests that the Commission’s Secretarial Letter in this matter dated February 9, 2023 be modified consistent with this Petition.
