7. FINANCIAL FITNESS

a. **FINANCIAL SECURITY:** In accordance with 66 Pa.C.S. § 2809(c)(1)(i) and 52 Pa. Code § 54.40(a), the Applicant is required to file a bond or other instrument to ensure its financial responsibilities and obligations as an EGS. Therefore, the Applicant is...

- Furnishing the **ORIGINAL** of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$250,000.
- Furnishing the **ORIGINAL** of another initial security for Commission approval, to ensure financial responsibility, such as a parental guarantee, in the amount of \$250,000.
- X **For Marketers and Brokers** - Filing for a modification to the \$250,000 requirement and furnishing the **ORIGINAL** of an initial bond, letter of credit or proof of bonding to the Commission in the amount of \$10,000. Applicant is required to provide information supporting an amount less than \$250,000. Such supporting information must include indication that the Applicant will not take title to electricity and will not pay electricity bills on behalf of its customers. Further details for modification may be described as well.

Applicant requests a reduction from \$250,000 to \$10,000 security. Applicant does not intend to collect money and/or pay bills for its customers. Please find attached **Appendix E** original irrevocable standby letter of credit filed as a confidential submission for the applicant.

CRITICAL BONDING NOTES:

Applicant is required to maintain a bond or other financial instrument the entire time it maintains an EGS license with the Commonwealth of Pennsylvania. If Applicant's security instrument is not continuous, Applicant **MUST** submit a Rider, Amendment, or Continuation Certificate annually based on the expiration date of its security instrument.

At least sixty days (60) prior to the security instrument's expiration date, EGS suppliers should email pc-puc-tus-energy@pagov.onmicrosoft.com or call (717)783-5242 to determine the appropriate bonding amount based on a percentage of suppliers gross receipts resulting from the sale of generated electricity consumed in Pennsylvania. Once the amount has been determined, suppliers should overnight the updated security instrument(s) at least thirty (30) days prior to the expiration date to ensure adequate time for staff review and approval of the security instrument(s).

Template versions of a continuous bond (preferred), fixed-term bond, continuous letter of credit, and parental guarantee are attached at Appendix E, F, G, & H, respectively. Applicant's security must follow language from these examples, and must include the unmodified language outlined in Appendix D. Any deviation from these examples must be identified in the application and may not be acceptable to the Commission.

b. FINANCIAL RECORDS, STATEMENTS, AND RATINGS: Applicant must provide sufficient information to demonstrate financial fitness commensurate with the service proposed to be provided. Examples of such information which may be submitted include the following:

- Actual (or proposed) organizational structure including parent, affiliated or subsidiary companies.
- Published Applicant or parent company financial and credit information (i.e. 10Q or 10K) (SEC/EDGAR web addresses are sufficient)
- Applicant's accounting statements, including balance sheet and income statements for the past two years.
- Evidence of Applicant's credit rating. Applicant may provide a copy of its Dun and Bradstreet Credit Report and Robert Morris and Associates financial form, evidence of Moody's, S&P, or Fitch ratings, and/or other independent financial service reports.
- A description of the types and amounts of insurance carried by Applicant which are specifically intended to provide for or support its financial fitness to perform its obligations as a licensee.
- Audited financial statements exhibiting accounts over a minimum two-year period.
- Bank account statements (3-12 recent consecutive months), tax returns from the previous two years, or any other information that demonstrates Applicant's financial fitness.

See **Attachment 5** for Grupp Holdings, LLC profit and loss and balance sheet statements for full calendar years 2022 and 2023.

See **Attachment 6** for Grupp Holdings, LLC bank accounts statements for the most recent six (6) months. Statements are from September 1, 2023 through February 29, 2024.

See **Attachment 7** for Grupp Holdings, LLC commercial insurance policy for period July 16, 2023 through July 16, 2024 in the amount of \$4,000,000.00 for commercial general liability insurance.

c. SUPPLIER FUNDING METHOD: If Applicant is operating as anything other than **Broker/Marketer only**, explain how Applicant will fund its operations. Provide all credit agreements, lines of credit, etc.. and elaborate on how much is available on each item.

Applicant is operating as a Broker/Marketer only.

d. BROKER PAYMENT STRUCTURE: If applicant is a broker/marketer, explain how your organization will be collecting your fees.

Applicant intends to collect fees via standard channel partner adder (cents/kWh) via licensed supplier(s) contract rate.

e. ACCOUNTING RECORDS CUSTODIAN: Provide the name, title, address, telephone number, FAX number, and e-mail address of Applicant's custodian for its accounting records.

Not applicable for an applicant applying for a license exclusively as a broker/marketer.

Applicant is applying for a license exclusively as a broker/marketer.

10. VERIFICATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS

- a. **PJM LOAD SERVING ENTITY REQUIREMENT:** As a prospective EGS, the applicant understands that those EGSs which provide retail electric supply service (i.e. takes title to electricity) must provide either:

- proof of registration as a PJM Load Serving Entity (LSE), or
- proof of a contractual arrangement with a registered PJM LSE that facilitates the retail electricity services of the EGS.

The Applicant understands that compliance with this requirement must be filed within 120 days of the Applicant receiving a license. As well, the Applicant understands that compliance with this requirement may be filed with this instant application.

(Select only one of the following)

- AGREED** - Applicant has included compliance with this requirement in the instant application, labeled in correspondence with this section (10).
- AGREED** - Applicant will provide compliance with this requirement within 120 days of receiving its license
- ACKNOWLEDGED** - Applicant is not proposing to provide retail electric supply service at this time, and therefore is not presently obligated to provide such information

- b. **STANDARDS OF CONDUCT AND DISCLOSURE:** As a condition of receiving a license, Applicant agrees to conform to any Uniform Standards of Conduct and Disclosure as set forth by the Commission. Further, the Applicant agrees that it must comply with and ensure that its employees, agents, representatives, and independent contractors comply with the standards of conduct and disclosure set out in Commission regulations at 52 Pa. Code § 54.43, as well as any future amendments.

AGREED

- c. **REPORTING REQUIREMENTS:** Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- **Retail Electricity Choice Activity Reports:** The regulations at 52 Pa. Code §§ 54.201–54.204 require that all active EGSs report sales activity information. An EGS will file an annual report reporting for customer groups defined by annual usage. Reports must be filed using the appropriate report form that may be obtained from the PUC's Secretary's Bureau or the forms officer, or may be down-loaded from the PUC's internet web site.
- **Reports of Gross Receipts:** Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.
- **The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.**
- **Net Metering Reports:** Applicant shall be responsible to report any Net Metering per the Standards on http://www.puc.pa.gov/consumer_info/electricity/alternative_energy.aspx. Scroll down to the Net Metering Standards Section.

- Applicant shall report to the Commission the percentages of total electricity supplied by each fuel source on an annual basis per 52 Pa. Code § 54.39(b)(4).
- Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 of the Public Utility Code, 66 Pa.C.S. Chapt. 28, pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.

X AGREED

- d. **TRANSFER OF LICENSE:** The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa.C.S. § 2809(D) and 52 Pa. Code § 54.41(a). Transferee will be required to file the appropriate licensing application.

X AGREED

- e. **ANNUAL FEES:** The Public Utility Code authorizes the PUC to collect an annual fee of \$350 from suppliers, brokers, marketers, and aggregators selling electricity in the Commonwealth of PA, and an annual supplemental fee based on annual gross intrastate revenues, applicable to suppliers only.

X ACKNOWLEDGED

- f. **FURTHER DEVELOPMENTS:** Applicant is under a continuing obligation to amend its application if substantial changes occur to the information upon which the Commission relied in approving the original filing. See 52 Pa. Code § 54.34.

X AGREED

- g. **FALSIFICATION:** The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa.C.S. §§ 4902, 4903, and 4904, relating to perjury and falsification in official matters.

X AGREED

- h. **NOTIFICATION OF CHANGE:** If your answer to any of these items changes during the pendency of your application or if the information relative to any item herein changes while you are operating within the Commonwealth of Pennsylvania, you are under a duty to so inform the Commission, within thirty (30) days, as to the specifics of any changes which have a significant impact on the conduct of business in Pennsylvania. See 52 Pa. Code § 54.34.

X AGREED

- i. **CEASING OF OPERATIONS:** Applicant is also required to officially notify the Commission if it plans to cease doing business in Pennsylvania, 90 days prior to ceasing operations.

X AGREED

- j. **Electronic Data Interchange:** The Applicant acknowledges the Electronic Data Interchange (EDI) requirements and the relevant contacts for each EDC, as listed at Appendix M.

X AGREED

- k. **FILING FEE:** The Applicant has enclosed or paid the required, non-refundable filing fee by **CERTIFIED CHECK OR MONEY ORDER** in the amount of **\$350.00** payable to the Commonwealth of Pennsylvania. The Commission does not accept corporate or personal checks for filing fees.

X PAYMENT ENCLOSED

11. AFFIDAVITS

Must be notarized before filing.

- a. **APPLICATION AFFIDAVIT:** Complete and submit with your filing an officially notarized Application Affidavit stating that all the information submitted in this application is truthful and correct. An example copy of this Affidavit can be found at Appendix A.
- b. **OPERATIONS AFFIDAVIT:** Provide an officially notarized affidavit stating that you will adhere to the reliability protocols of the North American Electric Reliability Council, the appropriate regional reliability council(s), and the Commission, and that you agree to comply with the operational requirements of the control area(s) within which you provide retail service. An example copy of this Affidavit can be found at Appendix B.

See completed, officially notarized **Application Affidavit** in **Appendix A** (attached). See completed, officially notarized **Operations Affidavit** in **Appendix B** (attached). Affidavits signed and notarized on February 16, 2024.

12. NEWSPAPER PUBLICATIONS

Required of ALL Applicants regardless of operating as a supplier, broker, marketer, or aggregator.

All Applicants MUST include a Commission issued Docket Number in their publications. Docket Numbers are issued to new applicants when an application packet is submitted to the PUC's Secretary's Bureau. **Newspaper publications published without a Commission issued Docket No. will be rejected.** For more information, see 52 Pa. Code § 54.35.

Notice of filing of this Application must be published in newspapers of general circulation covering each county in which the applicant intends to provide service. The newspapers in which proof of publication are required is dependent on the service territories the applicant is proposing to serve.

The chart below dictates which newspapers are necessary for each EDC. For example, an applicant that wants to operate in Penn Power would need to run ads in both The Erie Times-News and the Pittsburgh Post-Gazette. If the applicant is proposing to serve the entire Commonwealth, please file proof of publication in all seven newspapers.

The only acceptable verification of this requirement is with Notarized Proofs of Publication, which may be requested from each newspaper and **must be supplied to the Commission before the applicant is licensed.**

BIOGRAPHY

Dave Grupp currently consults in the areas of energy procurement, renewable energy supply, and distributed generation resources. Dave started Green Choice Energy Consulting's advisory practice in 2021 to help clients address the threat of climate change by working together to source and utilize energy more efficiently, responsibly, and sustainably. Prior to founding Green Choice, Dave served as VP and Head of Renewable Services for Direct Energy Business (acquired by NRG in 2021). Dave was responsible for the overall business strategy and execution delivering renewable power and zero carbon natural gas supply to commercial and industrial customers Nationally. Dave led the transformation of Direct Energy into one of the leading providers of renewable energy services in North America.

Previously Dave spent 10 years as Head of National Key Account Sales for Direct Energy and has over 20 years of energy industry experience. Dave also worked in various other capacities in sales, marketing and product management and was responsible for developing the company's "Make Me Green™" renewable energy product certified by Green-e Energy.

Prior to retail energy, Dave worked for Robinson Fans, a Butler County, PA based industrial fan manufacturer providing pollution control solutions to heavy industry including chemical, steel, and power generation. In his role as Director of R&D, Dave was responsible for aerodynamic and acoustic testing and design and as Project Manager was responsible for rotordynamic and mechanical analyses while providing oversight for multimillion dollar capital projects.

Dave routinely presents at conferences on the topics of energy markets and renewable energy including EEI, Smart Energy Decisions, TEPA and FMI. In addition, he has published and presented several technical papers on fan performance and design at AMCA, ASHRAE, EPRI, and the North American Mine Ventilation Symposium.

Dave holds a Bachelor of Science degree in Mechanical Engineering from Penn State University with a minor in Engineering Mechanics and graduated honors MBA with concentration in Finance and Sustainability from Duquesne University.

Dave currently sits on the Board of Directors for Junior Achievement of Western PA, is a youth football coach, VP of the Seneca Valley wrestling association and volunteers with Boy Scout Troop 403. Dave resides in Cranberry Twp, PA with his wife Milan, boys Maddox and Camden and yellow labs, Wallace & Grommit.

Vice President, C&I Sales and Renewable Energy Services

Experienced Business Leader with a passion for delivering customer-focused sustainable energy solutions.

Results-oriented business executive with 30+ years of industry experience in retail energy and industrial manufacturing. Dave has consistently increased corporate revenues and maximized business growth in the renewable energy sector. Demonstrated ability to create and retain deep connections with customers, colleagues, and business partners. Combine innovative vision and new product strategies to reach business goals and financial targets. Dedicated to providing servant leadership and collaboration across organizational boundaries to achieve desired results. Passionate for leveraging renewable energy with applicable technological advancements in building a sustainable environment. Routinely presents on topics of evolving energy markets and related business impacts.
