**Re: Andrea Fenimore v. Pennsylvania Electric Company**  
**Docket No. C-2022-3030605**

Dear Secretary Chiavetta:

In accordance with the Interim Order issued on December 12, 2023 in the above-referenced matter, this letter serves as a status report on behalf of FirstEnergy Pennsylvania Electric Company on behalf of its Penelec Rate District (“the Company”).<sup>1</sup> The Complainant has failed to provide timely and complete notification of her expert and factual witnesses in accordance with the Interim Order, which provided a deadline of February 12, 2024. The Company timely provided notice of its expert and factual witnesses on February 8, 2024.

Counsel for the Company has attempted to contact Ms. Fenimore regarding the scheduling of an evidentiary hearing on several occasions. To date, Ms. Fenimore has not responded. The Interim Order stated that the parties should provide all dates that they are not available for in May and June of 2024 and whether the hearing should take place telephonically or in-person. Therefore, the Company suggests a one-day telephonic evidentiary hearing to be held consistent with the Company’s availability. Counsel for the Company is unavailable on May 6-9 and May 13-29.

<sup>1</sup> On January 1, 2024, FirstEnergy Corp.'s Pennsylvania operating companies (i.e., Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company) merged into FirstEnergy Pennsylvania Electric Company (“FE PA”). Due to the merger transaction, FE PA became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former Pennsylvania Electric Company have their own separate and distinct rate district under FirstEnergy Pennsylvania Electric Company’s tariff.

Copies of this report are being provided in accordance with the attached Certificate of Service. Should you have any questions regarding this report, please do not hesitate to contact me.
