BROWNS MOVING AND STORAGE, LLC
Data Request

1. You were previously asked to provide **evidence** of minimum of two-years' experience with a licensed household goods carrier as required by 52 Pa. Code §3.381(c)(1)(iii)(A)(II)(-1-). You opted to submit this evidence in the form of a letter from your previous employer; however, the letter submitted failed to include the entirety of the information that was requested.

In your most recent response, you indicated that your previous employer refuses to certify their statement in support of your application and you have requested either a waiver of the required evidence, or an extension to compile suitable evidence.

As the requirement for evidence is statutorily mandated it may not be waived; however, the Commission is willing to offer a 30 day extension from the date of this letter for you to obtain and prepare your evidence for review. Subsequent requests for additional extensions will not be granted.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because YOU have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.
