RE: Aqua Pennsylvania Wastewater, Inc. Section 1329 Application for the Acquisition of the City of Beaver Falls' Wastewater System Assets at Docket No. A-2022-3033138

Dear Attorneys Hassell and Lent:

On March 29, 2024, Aqua Pennsylvania Wastewater, Inc. (APW) filed an Amended Application that substantially modified exhibits previously filed with the initial Application received by the Pennsylvania Public Utility Commission (Commission). In the Secretarial Letter dated June 28, 2023, and served on APW at the above-referenced docket, the Commission conditionally accepted (2023 Conditional Acceptance) the initial Application for filing. However, since APW has filed an Amended Application that requires review for completeness by the Bureau of Technical Utility Services (TUS) in accordance with the Section 1329 Application Filing Checklist, the 2023 Conditional Acceptance is hereby withdrawn. TUS will conduct a review of the pending Amended Application for completeness based on the Section 1329 Application Filing Checklist. Accordingly, as part of its review, TUS may issue further completeness review requests and will determine whether the Commission will conditionally accept the Amended Application.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition for reconsideration from the actions of staff with the Commission within 20 days of the date this letter is served.

Sincerely,

Rosemary Chiavetta
Secretary
