A-2024-3047981

**TO ALL PARTIES OF RECORD**

Application of Pennsylvania American Water Company for approval to install a sanitary sewer line below the track of Norfolk Southern Railway Company at a location in Koppel Borough, Beaver County.

To Whom It May Concern:

This matter is before the Commission by reason of an application filed by Pennsylvania American Water Company (PAWC) requesting Commission approval to alter a crossing by the installation of a 12-inch polyvinyl chloride (PVC) sanitary sewer line and 24-inch steel casing pipe where Richard Street crosses, at grade, the track of Norfolk Southern Railway Company (NS) located in Koppel Borough, Beaver County. The subject application was filed with the Commission on March 28, 2024.

After a careful review of the record, we find that Richard Street does not cross the track of NS and no public crossing exists at this location. The Commission will therefore dismiss the application for lack of jurisdiction.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The application filed March 28, 2024, docketed at A-2024-3047981 be dismissed for lack of jurisdiction.
3. The case be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered.
