Re: Petition of the Office of Consumer Advocate, the Office of Small Business Advocate, and the Pennsylvania Utility Law Project Requesting Initiation of a Proceeding on Federal Funding Opportunities for Utilities Under the Infrastructure Investment and Jobs Act Docket No. P-2022-3032929

Dear Secretary Chiavetta:

Per the Commission's March 21, 2023, Order in the above-captioned proceeding, Philadelphia Gas Works ("PGW") hereby submits this letter to indicate that PGW did not receive any funding deriving from the federal Infrastructure Investment and Jobs Act ("IIJA") in calendar year 2023.

While PGW did not receive any funding from the IIJA in calendar year 2023, PGW was conditionally approved for a \$10 million PHMSA Natural Gas Distribution Infrastructure Safety and Modernization Grant on April 5, 2023. PGW will report actual receipt of funding derived from the PHMSA grant during the calendar year in which it is ultimately received.

If you have any questions regarding the information contained in this letter, please feel free to contact me.

Sincerely,
