**INTERIM ORDER  
GRANTING COMPLAINANT’S MOTION FOR CONTINUANCE**

On May 24, 2021, Jeffrey Smiles (“Mr. Smiles”) filed a Formal Complaint with the Pennsylvania Public Utility Commission against PPL Electric Utilities Corporation (“PPL”) challenging the installation of a smart meter at his home. On June 28, 2021, PPL filed an Answer with New Matter to the Complaint. On the same date, PPL filed Preliminary Objections to the Complaint, seeking dismissal of the Complaint in its entirety. The Preliminary Objections remain outstanding.

On February 29, 2024, this matter was reassigned from Administrative Law Judge Chad Allensworth to the undersigned. Subsequently, a prehearing conference was scheduled in this matter for April 15, 2024, to begin at 10:00 a.m.

On April 9, 2024, Mr. Smiles filed a Motion for Continuance of the prehearing conference, stating that he had a medical appointment the morning of the prehearing conference and therefore would be unable to attend.

On April 12, 2024, PPL filed a Letter in Lieu of Answer to Motion for Continuance, requesting that if Mr. Smiles’ Motion for Continuance is granted, that the prehearing conference not be rescheduled unless and until there is ruling on the Preliminary Objections.
