PARTIES OF RECORD

Application of Pennsylvania American Water for approval of the alteration of the crossing where Main Street crosses, at grade, tracks of Norfolk Southern Railway Company (DOT 588 602 S) by the installation of a 12 inch DIP water line encased in a 20 inch steel pipe, and a 15 inch PVC pipe encased in a 36 inch steel pipe, in Royersford Borough, Montgomery County

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject roadway and railroad.

It is requested that each party in interest review the application and notify the Commission of any objection to the application by May 6, 2024. If any objection to the application is not filed with the Commission by the above stated date, the Commission will approve the application permitting Pennsylvania American Water to install its facilities within the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being served via email. Please e-file any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
