Re: National Fuel Gas Distribution Corporation's Supplement No. 271 to Tariff Gas - Pa.
P.U.C. No. 9

Dear Mr. Sisinni:

On April 18, 2024, National Fuel Gas Distribution Corporation (the Company) filed Supplement No. 271 to Tariff Gas - Pa. P.U.C. No. 9 to become effective on April 22, 2024. The supplement was filed in compliance with the Commission's Order entered December 22, 2022 at the above docket to implement the Company's Percentage of Income Program (PIP) as part of its 2022-2026 Universal Service and Energy Conservation Plan.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 271 to Tariff Gas - Pa. P.U.C. No. 9 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chavetta
Secretary
