**Re: Pennsylvania Public Utility Commission, Bureau of Investigation & Enforcement
v. Latino Taxi Service LLC**

To whom it may concern:

By Secretarial Letter dated April 19, 2024, the Commission sustained the Complaint filed against you at C-2024-3044157. You were fined \$700.00 for allowing driver, John Rosario, to refuse an officer's request to duplicate the trip indicated in the complaint hindered the officer's investigation violating 66 PA Code §505; for failure to have a driver's current criminal history on file, has violated 52 Pa. Code §29.505 (b)(2); for failure to retain completed log sheets, violated 52 Pa. Code §29.313 (c); for allowing a driver to ask for an additional charge for the handling of baggage, has violated 52 PA Code §29.313 (d). The Commission also cancelled your operating authority as a common carrier of persons in Call or Demand Service at Certificate No. A-6320054.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has been determined that a late payment in full has been made. For this reason, the Commission will rescind the cancellation and notify PennDOT to release the holds on vehicle registrations.

Very truly yours,
