April 29, 2024

Rosemary Chiavetta, Secretary
Pennsylvania Public Utility Commission
Commonwealth Keystone Building
400 North Street – 2nd Floor
Harrisburg, PA 17120

**Re: Petition of the Office of Consumer Advocate, the Office of Small Business Advocate, and the Pennsylvania Utility Law Project Requesting Initiation of a Proceeding on Federal Funding Opportunities for Utilities Under the Infrastructure Investment and Jobs Act
Docket No. P-2022-3032929**

Dear Secretary Chiavetta:

On June 10, 2022, the Office of Consumer Advocate, the Office of Small Business Advocate, and the Pennsylvania Utility Law Project (collectively, "Petitioners") filed a Petition with the Pennsylvania Public Utility Commission ("Commission"), pursuant to 52 Pa. Code § 5.41 ("Petition"), requesting that the Commission initiate a proceeding to require utilities and allow interested parties to file reports and comments to the Commission related to federal programs and funding available to Pennsylvania utilities under the federal Infrastructure Investment and Jobs Act¹ ("IIJA").

On June 23, 2022, the Secretary of the Commission issued a Secretarial Letter further serving the Petition on all Pennsylvania jurisdictional fixed utilities, and setting July 25, 2022, as the deadline for responsive pleadings.

The Commission entered an Order on March 21, 2023 ("Order"), requiring all fixed public utilities subject to Commission jurisdiction which received funding from IIJA sources to provide a report pursuant to 66 Pa.C.S. § 504 by April 30 of each year, with the requirement expiring on May 1, 2027.

¹ Pub. L. No. 117-58, 135 Stat. 429 (2021).

Aqua Pennsylvania, Inc. ("Aqua") previously provided the following information for the 2022 reporting year:

| 2022 Reporting Year | | | |
|---------------------|--|----------|----------------------------|
| Date Granted | Amount | Program | Description |
| 09/03/2021 | \$4,529,896 grant (\$409,118 received in 2022, remainder will be received in 2023) | PENNVEST | North Hills PFAS Treatment |

Aqua is filing this letter to correct the 2022 report, that the source of funding for the grant listed above was from Commonwealth State Grant Funds and not the IIJA. As such, Aqua did not receive any funds deriving from the IIJA in 2022.

If you have any questions regarding this report, please contact me at 610-645-1130.

Sincerely,

Alexander R. Stahl
Regulatory Counsel
