3.) Financial Statement: Your statement of financial position MUST BE DATED within 6 months of the application date. Please provide a more complete picture of your finances. All previous submissions have been undated and are therefore unacceptable.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because YOU have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.
