ORDER CORRECTING HEARING TRANSCRIPTS

On November 8, 2023, Pennsylvania-American Water Company (PAWC or Company) filed Supplement No. 45 to Tariff Water-PA. P.U.C. No. 5 (Supplement No. 45) with the Pennsylvania Public Utility Commission to become effective January 7, 2024. Supplement No. 45 would increase PAWC’s total annual operating revenues for water service by approximately \$199.2 million, or 24.2%.

Also on November 8, 2023, the Pennsylvania-American Water Company – Wastewater Division (PAWC-WD or Company) filed Supplement No. 47 to Tariff Wastewater PA P.U.C. No. 16 (Supplement No. 47) with the Commission to become effective January 7, 2024. Supplement No. 47 would increase PAWC-WD’s total annual operating revenues for wastewater service by approximately \$4.7 million, or 2.5%.

Formal Complaints have been filed against PAWC and PAWC-WD’s tariff filings by the Office of Consumer Advocate (OCA), the Office of Small Business Advocate (OSBA), as well as various PAWC and PAWC-WD customers. Additionally, Petitions to Intervene have

been received by the Commission on Economic Opportunity (CEO), the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (CAUSE-PA), Cleveland-Cliffs Steel, the City of Scranton, Victory Brewing Company, and Exeter Township.

On December 21, 2023, by separate Orders, the Commission suspended the filings by operation of law until August 7, 2024, pursuant to Section 1308(d) of the Public Utility Code, unless permitted by the Commission to become effective at an earlier date. In both Orders, the Commission stated that investigation and analysis of the proposed tariff supplements and the supporting data indicate that the proposed changes in rates, rules and regulations may be unlawful, unjust, unreasonable and contrary to the public interest. The Commission also determined that consideration should be given to the reasonableness of PAWC's and PAWC-WD's existing rates, rules and regulations. As a result, the Commission ordered that an investigation be instituted in response to both filings to determine the lawfulness, justness, and reasonableness of the rates, rules, and regulations contained in the proposed tariff filings, as well as a consideration of the lawfulness, justness and reasonableness of the existing rates, rules, and regulations. The Commission assigned the cases to the Office of Administrative Law Judge for Alternative Dispute Resolution, if possible, and for the prompt scheduling of hearings as may be necessary culminating in the issuance of Recommended Decisions.

On December 21, 2023, a hearing notice was issued for both filings establishing a telephonic prehearing conference for these matters for Wednesday, January 3, 2024, at 10:00 a.m. and assigning us as the Presiding Officers.
