Reference: BP Energy Retail Company LLC's 2023 Sales Activity Report

Dear Secretary:

BP Energy Retail Company LLC ("BPERC") is an Electric Generation Supplier in Pennsylvania. Pursuant to the rules of the Pennsylvania Public Utility Commission ("Commission"), Pa. Code 54.203, BP Energy Retail Company LLC provides its 2023 Electric Generation Supplier Sales Activity Report.

The Supplier Sales Activity Report contains financially sensitive and proprietary information. BPERC requests confidential treatment of the Supplier Sales Activity as disclosure of the contents could subject BPERC to substantial competitive harm. See 66 Pa. Cons. Stat. 335(d); 52 Pa. Code 5.365. Accordingly, BPERC is submitting two versions of the Supplier Sales Activity in accordance with the instructions set forth in the Notice to Licensed Electricity Providers that accompanies the Electric Generation Supplier Sales Activity Report. Specifically, these are:

- (i) A non-public confidential version and
- (ii) A redacted version that keeps confidential the total kWh sold and gross receipts received.

In the event, that disclosure of the Supplier Sales Activity Report is required, BPERC requests that the Commission disclose only the redacted version pursuant to 52 Pa. Code 54.39(d).

Please let me know if you require additional information regarding this filing.

Sincerely,  
/s/ Disney Cruz
