Dear Commission,

I am writing this letter to formally withdraw the protest that was submitted against Northeastern Movers, Inc. I am withdrawing because of not being able to find adequate representation in such a short period of time, as Andrew Horowitz, most recently and currently, is my representation.

I would like to add that Lackawanna, Luzerne, and surrounding Counties most certainly do not need another mover. The established movers are struggling to stay afloat in this time of economic uncertainty. With that being said, I respectfully support your final decision, regardless of the outcome.

Please feel free to contact me with any questions.

Best Regards,

Patrick A. Cadden
