Dear Ms. Fawcett,

On April 23, 2024, the Commission received your filing deemed Name/Entity Change Request from Sourceone Inc (DE) to Veolia Sustainable Buildings USA East Inc. It has been determined your filing is deficient for the following reasons:

The filing is missing filing fee for \$350.00. A filing fee must be a Certified Check, Money Order or Check from an Attorney's Account, for \$350 made out to the Commonwealth of Pennsylvania.

Please be advised that you are directed to forward the requested information to the Commission within **20** days from the date of this letter. Failure to respond may cause Commission staff to initiate a formal proceeding that may lead to cancellation of Sourceone Inc (DE)'s Electric Supplier License, fines and penalties, removal of the company's information from the Commission's website, and notification to all electric distribution companies in which Sourceone Inc (DE) is licensed to do business.

Should you have any questions please contact our Bureau at 717-772-7777.

Sincerely,
