**RE: Distribution System Improvement Charge
Section 1307(e) Reconciliation Statement
For the 12 months ended December 31, 2023
M-2024-3045874**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's Distribution System Improvement Charge (DSIC) Section 1307(e) Reconciliation Statement for the 12 months ended December 31, 2023. This filing supersedes the filing that was accepted into the record via Secretarial Letter on March 19, 2024.

Based upon staff review, it appears that the DSIC Section 1307(e) Reconciliation Statement, filed on April 5, 2024, is mathematically accurate and, accordingly, shall be deemed an adequate filing within the meaning of Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Acceptance of the DSIC Section 1307(e) Reconciliation Statement is expressly subject to such further review and revision as may be found necessary as the result of a subsequent Commission audit or some other proceeding. Acceptance shall not constitute approval of either the accuracy of the reported figures or the reasonableness of the underlying transactions.

This Secretarial Letter does not preclude a party from later filing a complaint on the substance or operation of the adjustment clause rate change filing. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2024-3045874.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta
