Re: Certificate of Satisfaction, Docket No. C-2024-3045577 (Meter Relocation)

Dear Secretary Chiavetta;

In reply to Post & Schell letter dated April 25 I object to PA PUC filing a Certificate of Satisfaction regarding my Formal Complaint C-2024-3045577.

Correct, I have withdrawn my request to use PPL Electric poles to reconnect service when I relocate my smart meter farther from my house, but I do so under duress. I believe PUC's ruling that smart meter installations are mandatory is an illicit act:

- Lawmakers never voted to make smart meters mandatory under Act 129. Rather, they voted to make them optional based on a customer's request. This according to sworn testimony by a lawmaker who was present when voting for Act 129 in 2008, plus multiple statements by lawmakers appearing in Legislative Journals. PUC has no right to overthrow the General Assembly and legislate in its place.
- PUC's mandate is causing pain and suffering to many Pennsylvanians.
- PUC is putting the health of 12-million Pennsylvanians at risk (including my sister gravely ill from cancer) by ignoring thousands upon thousands of scientific studies reporting adverse health and carcinogenic effects of microwave radiation of the type transmitted by smart meters.
