RE: Cancellation of Certificate of Public Convenience A-2024-3039917

Respondent:

By Secretarial Letter dated April 22, 2024, the Commission sustained a complaint and cancelled the authority of Aladdin Limo Inc at Case Docket No. C-2024-3041372 for failure to obtain a satisfactory safety fitness rating, a violation of 66 Pa. C.S. §501(c) and, for failure to maintain adequate, efficient, and safe service and facilities, a violation of 66 Pa. C.S. §1501.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has come to our attention that Commission's enforcement personnel did not contact the motor carrier at the address that was on file with the Commission. The BIE complaint cannot be considered properly served.

**Therefore, the Certificate of Public Convenience at Docket No. A-2024-3039917, Utility code A-00111149, will be reinstated. A new SFR will be scheduled and must be satisfactorily completed.**

Furthermore, this Commission is requesting the Pennsylvania Department of Transportation to lift any administrative holds on respondent's vehicle registration.

Very truly yours,
