**DOCKET NUMBER M-2023-3041569**

Dear Ms. Chiavetta:

Through an oversight, West Penn Power Company was not included in the Certificate of Service filed May 21, 2024. Attached is a Supplemental Certificate of Service certifying that copies of the Letter dated April 30, 2024, reiterating and clarifying the request for approval by the PUC to change its name from West Penn Power Sustainable Energy Fund to West Penn Energy Fund by filing Articles of Amendment after approval by the PUC; and the request for the approval by the PUC of the Second Amended and Restated Bylaws; together with copies of the proposed Articles of Amendment, proposed Second Amended and Restated By-Laws (clean and redline), excerpt of Minutes of West Penn Power Sustainable Energy Fund adopting Resolutions authorizing the filing of Articles of Amendment and adoption of the Second Amended and Restated By-Laws, and letter dated March 19, 2024, were sent to West Penn Power Company on May 21, 2024.

If anything further is needed, please advise.

Very truly yours,

James J. Conte, Attorney for
