RE: Petition of Aqua Pennsylvania, Inc. for Approval of Its Third Long-Term
Infrastructure Improvement Plan

Dear Mr. Stahl:

On October 23, 2023, Aqua Pennsylvania, Inc. (Aqua) filed a Petition seeking approval of its Third Long-Term Infrastructure Improvement Plan (LTIIIP). The 120-day LTIIIP consideration period outlined in the Commission's Final Implementation Order would have ended on February 23, 2024.¹ In order to fully evaluate the instant LTIIIP, the Commission initially extended its review period until March 20, 2024. In order to further evaluate additional information requested from Aqua, the Commission extended the review period to May 30, 2024. To allow the Commission to properly consider this LTIIIP filing, the Commission hereby extends its consideration period to June 30, 2024.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition with the Commission within twenty (20) days after the date of this letter. If you have any questions on this matter, please contact Ken Shaffer, Bureau of Technical Utility Services, at kenshaffe@pa.gov, or (717) 787-2359.

Sincerely,

Rosemary Chiavetta
