Reviewing CRP bills quarterly to determine whether the household is charged the correct billing amount.	PGW is currently reviewing the Commission’s April 25, 2024 Order, which granted PGW an extension to comply with this requirement until April 30, 2025 or when its CIS is implemented, whichever comes earlier, but also required PGW to conduct an audit of CRP accounts once the automated quarterly review process of CRP bills is implemented. At a minimum, PGW will comply with the deadlines stated in the April 25, 2024 Order.	When PGW’s CIS is implemented (Estimated before early spring 2025) or April 30, 2025, whichever comes earlier
