Docket No. C-2023 – 3042213

SALVATORE AND ELIZABETH GALANTE

VS

PENNSYLVANIA AMERICAN WATER COMPANY

1. PAWC sets rates charging LRBSA. LRBSA customers may attend LRBSA board meeting in order to discuss, complain, about LRBSA rates but have no outlet to be heard about PAWC rates other than the PUC.
2. Regardless of the ruling in this case LRBSA has also filed a complaint on behalf of LRBSA customers.
3. Directly or indirectly we are customers of PAWC and are entitled to filing complaints through the PUC.
