**TO ALL PARTIES OF RECORD**

Application of Gigapower LLC for approval of the alteration of the crossing (MP 131) by the installation of fiber optic cable where Myrtle Street (DOT 926 808 B) crosses, at grade, the tracks of Delaware-Lackawanna Railroad, located in the City of Scranton, Lackawanna County.

To Whom It May Concern:

By application filed with the Commission on January 3, 2024, Gigapower LLC seeks Commission approval to alter the public crossing (DOT 926 808 B) by installation of an aerial fiber optic cable where Myrtle Street crosses, at grade, the single track of Delaware – Lackawanna Railroad, located in the City of Scranton, Luzerne County.

Gigapower LLC proposes to install an aerial fiber optic cable by connecting to existing utility poles within the right of way of Myrtle Street. The installation will provide a minimum of 27-feet 2-inches from the top of rail to the proposed aerial fiber optic cable.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Gigapower LLC states that the proposed installation is necessary to provide the residents of the city of Scranton with access to high quality fiber internet. Gigapower LLC will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the new facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.00.

All work is to be performed in accordance with the revised plan entitled: “EXHIBIT A,” consisting of four (4) sheets submitted via electronic mail to a Commission engineer on May 2, 2024.

Gigapower LLC has served a copy of the application and the original plan on the Pennsylvania Department of Transportation, Delaware – Lackawanna Railroad, City of Scranton, PPL, Verizon Pennsylvania Inc., North Penn Long Distance, Comcast, ION Holdco LLC, Teleport Communications America LLC, CTSI LLC, Zito Media, and XO Communications Inc. All parties in interest were queried by letter dated May 13, 2024, sent via electronic mail, as to any objection to the subject application and revised plan. None of the parties have responded with any objection to the subject application or revised plan.

Gigapower LLC failed to serve the parties with a copy of the revised plans, therefore, they have not had an opportunity to consider the matter and respond. However, this Secretarial Letter will be issued to all the parties of record and will provide an opportunity for a response within twenty days of this Secretarial Letter issuance date.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of Gigapower LLC is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. The crossing where Myrtle Street crosses, at grade, the tracks of Delaware – Lackawanna Railroad (DOT 926 808 B) in City of Scranton, Lackawanna County be altered generally in accordance with the installation plan entitled: “EXHIBIT A” consisting of four (4) sheets provided to the Commission on May 2, 2024; which plan is made part hereof and is hereby approved except insofar as it may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
3. Gigapower LLC, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by the installation of an aerial fiber optic cable within the right-of-way of the highway where Myrtle Street crosses, at grade, the single track of Delaware – Lackawanna Railroad, all in accordance with the approved plan and this Secretarial Letter.
4. Gigapower LLC, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.

5. Any relocation of, changes in and/or removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Gigapower LLC, which may be required as incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.

6. Delaware – Lackawanna Railroad, at the sole cost and expense of Gigapower LLC, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

7. Gigapower LLC, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plan and this Secretarial Letter.

8. The alteration of the crossing be completed on or before June 30, 2025, and that on or before said date Gigapower LLC, report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plan and this Secretarial Letter.

9. Gigapower LLC, at its sole cost and expense, pay all compensation for damages, if any, due to owners of property taken, injured, or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

10. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

11. Gigapower LLC cooperate with the non-carrier utilities involved, so that during the alteration of the involved crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

12. Gigapower LLC at least seven (7) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

13. Upon completion of the alteration of the crossing, Gigapower LLC at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain their aerial fiber optic cable and any ancillary facilities installed in accordance with the approved plan and this Secretarial Letter.

14. Upon completion of the alteration of the crossing, Delaware – Lackawanna Railroad, at its sole cost and expense, furnish all material and perform all work necessary to maintain its railroad facilities at the subject crossing, including the warning devices and all appurtenant equipment, and maintain at all times in a smooth and satisfactory condition the high-type concrete surface, all in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter; and provide the City of Scranton at least ten (10) business days advance notice when performing any work as directed under this paragraph.

15. Upon completion of the alteration of the crossing, City of Scranton, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain its highway approach roadways to the subject crossing to points up to the high-type concrete surface and in addition, maintain the grade crossing advance warning signs, stop lines and pavement markings, if required, all in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter; and provide Delaware – Lackawanna Railroad at least ten (10) business days advance notice when performing any work as directed by this paragraph.

16. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
