RE: Continuous Bond
Ecom-Energy of California Inc
A-2017-2587729

Dear Sir/ Madam,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Ecom-Energy of California Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature for Surety Company and raised seal for the Surety company.

Please file the **originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta
Secretary of the Commission
