

June 6, 2024

To whom it may concern, I received a decision stating I did not attend the hearing. The last time I had a zoom call I received a reminder regarding this case. I did not get a reminder this time. I am in financial hardship. Due to the pandemic my son's job closed. It took him a while to find a job. Fast forward to the end of 2023 when things were looking good, my dad was diagnosed with kidney failure and my daughter lost her job. She was pregnant with diabetes and anemia. I had to take on all financial responsibilities. On top of a mortgage increase due to homeowners' insurance. The cost of groceries and paying for my son to get to and from school. It is a lot. My son now has a job and can help me out. I can afford my monthly payments and an extra \$100 towards the back balance. I do not qualify for any programs that give you money towards your bills.

Sincerely,

Nikisha Leach
