

**BEFORE THE  
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Andree Lombard  
Complainant  
v.  
PECO Energy Company  
Respondent

Docket No. C-2023-3041719

Aldan, June 9, 2024

**Request for reconsideration and commission based payment plan**

Dear Mrs. Rosemary Chiavetta, Secretary

I respectfully request reconsideration of the recent decision (June 4, 2024) to deny my appeal regarding the PECO utility bill case.

Upon receiving the denial notification, I took the time to carefully review the circumstances surrounding the case and the grounds for the decision.

While I understand the complexities involved, there may have been some misunderstanding or oversight that contributed to the denial.

I would like to provide additional information and clarification to support my appeal. I am confident that a thorough review of the facts will demonstrate the validity of my case and justify a reconsideration of the decision.

I am also willing to make at least a 30% payment of the disputed amount instantly, to show my goodwill.

I am committed to resolving this matter amicably and by all applicable policies and regulations. Of course, I was hoping to get a commission-based payment arrangement..

Your reconsideration of my appeal would be greatly appreciated, and I am prepared to provide any further documentation or information that may be required to facilitate the process.

Thank you for your attention to this matter. I look forward to a favorable response.

Sincerely,
