Docket Number: F-2023-3043322

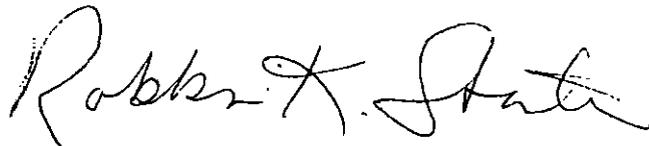

Good Morning:

My name is Robbin Stanton. I spoke with a representative (Brown Awbly) of The Pennsylvania Public Utility Commission who suggested that I file a petition for reconsideration due to the fact that my e-file exceptions submission was (2570039) rejected due to an error.

Through an e-mail conversation with Amber Gamber, I received instructions on how to e-file, which were the same instructions that I used when my filing was rejected.

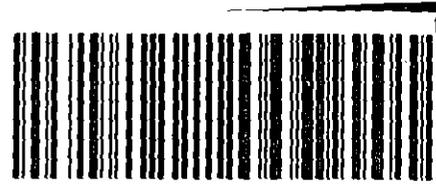

The order included a payment arrangement with The Philadelphia Gas Works based on a 40 hour work week, which is incorrect. I only work a 30 hour week. This information was disclosed during a hearing on December 20, 2023.

Please allow this document to serve as a petition for reconsideration. Thank you.
