STATUS REPORT

Please allow this report to provide the Status Report of Reading, Blue Mountain and Northern Railroad Company in the above-referenced consolidated matters.

Counsel for the parties are still in the process of determining if there is a complete record from the Local Agency, as whether a complete record is available determines the scope of the disposition of the appeal pursuant to the Rules of Administrative Practice and Procedure.

If there is not a complete record from the Local Agency, counsel for the parties have agreed to confer regarding the need for additional discovery, and whether such needs to be accomplished by seeking leave of court to pursue discovery in the Local Agency Appeal at S-1179-2008, or whether the matter will be remanded to the Local Agency for further proceedings, in order to assist the Court in reviewing that matter pursuant to the applicable provisions of the Rules

of Administrative Practice and Procedure relating to judicial review of a Local Agency decision.

Respectfully Submitted,
