Re: Docket No. L-2020-3017284
Opinion and Order Re: Diversity Reporting of Major Jurisdictional Utilities

Dear Secretary Chiavetta,

The Energy Association of Pennsylvania (“EAP”) files this letter in response to the Opinion and Order entered on May 29, 2024 at the above-referenced docket.

The Opinion and Order reiterates the Commission’s decision to issue an annual report regarding the diversity efforts of the utilities subject to 52 Pa. Code §§ 51.11-13 in accordance with a Joint Motion of Vice Chair Kimberly Barrow and Commissioner Kathryn L. Zerfuss (“Joint Motion”) entered on April 4, 2024. As directed by the Joint Motion, EAP filed comments in response on April 19, 2024. The Opinion and Order recognized EAP’s responsive comments.

The Opinion and Order allowed for an additional fifteen (15) days to file comments to the Joint Motion.

While the Opinion and Order addressed some of the procedural issues raised by the Association in its initial comments, EAP submits this letter in lieu of any additional concerns and reiterates its points from comments submitted on April 19, 2024, particularly as it relates to maintaining confidentiality of the data submitted by the companies to the Commission. EAP continues to believe that the best path to the issuance of a public report on this data is through an amendment to the current regulations.

The Association appreciates the opportunity to offer input on the proposed public report.

Very truly yours,
