PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Petition of PPL Electric Utilities Corporation	:	
for a Waiver of the Distribution System	:	
Improvement Charge Cap of 5% of Billed	:	P-2024-3048732

PREHEARING ORDER #2

On April 26, 2024, PPL Electric filed a Petition requesting that the Pennsylvania Public Utility Commission (“Commission”) waive the Company’s Distribution System Improvement Charge (“DSIC”) cap of 5% of billed revenues and increase the maximum allowable DSIC to 9% for bills rendered on or after January 1, 2025, because a higher DSIC cap is necessary to ensure and maintain adequate, efficient, safe, reliable, and reasonable service for the benefit of PPL Electric’s customers and as required by Section 1501 of the Public Utility Code, 66 Pa. C.S. § 1501.

On May 16, 2024, the Office of Small Business Advocate (“OSBA”) filed a Notice of Intervention, Public Statement, and Verification at the above-captioned docket.

Also on May 16, 2024, the Commission’s Bureau of Investigation and Enforcement (“I&E”) and the Office of Consumer Advocate (“OCA”) filed Answers to the Petition.

On May 28, 2024, an Initial Telephonic Prehearing Conference Notice was issued, scheduling a telephonic prehearing conference for June 3, 2024, at 10:00 before Administrative Law Judge Arlene Ashton (the “ALJ”).

On May 29, 2024, I issued a Prehearing Order, which, among other things, directed the parties to file Prehearing Conference Memoranda on or before 10:00 AM on May 31, 2024. PPL, I&E, OCA and OSBA all filed Prehearing Conference Memoranda.

The prehearing conference was held as scheduled. The following matters were discussed, *inter alia*, at the prehearing conference: (1) the form, content, timing and means of publication or distribution of notice of this proceeding to the public and to PPL's customers; (2) identification of issues to be resolved; (3) the procedural and litigation schedule; (4) discovery modifications; (5) the need for public input hearings; and (6) the timing and duration of evidentiary hearings.

At the Prehearing Conference, counsel to OCA indicated that OCA had not received any expression of public interest in the proceeding. Tr. 25. However, OCA indicated that it wished to reserve the ability to release a request for public input hearings if OCA became aware of public interest in Such hearings. Tr. 26. OCA agreed to promptly notify the presiding officer and the other parties if it received an expression of interest for public input hearings. Tr. 26.

With the exception of the understanding reached concerning the lack of any expression of interest in public input hearings prior to the date of the Prehearing Conference, the parties were unable to reach agreement on any of the issues. As a result, the parties were directed to continue their discussions and to report the outcome of their discussions to the presiding officer no later than June 7, 2024 on three specific issues: the form and content of notices of this proceeding to the public and PPL's customers.

On June 7, 2024, counsel to PPL and OCA each informed me via email that although the parties had narrowed their differences, the parties had been unable to reach full agreement on any the above-referenced issues.

On June 10, 2024, via email I directed the parties to renew their efforts to resolve the three issues noted above and to report back to me in writing no later than the end of the next day, June 11, 2024.

On June 11, 2024, counsel to PPL, OCA and OSBA each informed me that the parties had reached full agreement on the procedural and litigation schedule, discovery modifications and the form and content of notices of this proceeding to the public and PPL's customers. The parties requested that the notice be published in the June 22, 2024, edition of the in the Pennsylvania Bulletin.

On June 12, 2024, the Secretary's Bureau advised me that: (1) due to publication limitations, the notice to the public prepared by the parties for publication in the Pennsylvania Bulletin could not be published as drafted; and (2) due to the Juneteenth holiday, publication of the truncated notice in in the Pennsylvania Bulletin would be delayed until June 29, 2024. The Secretary's Bureau provided a truncated version of the notice that would be published in the Pennsylvania Bulletin, which I supplied to the parties together with suggested revisions to the response date for intervention. PPL expressed its approval of the changes to the notice. None of the other parties expressed any opposition to the proposed changes. On June 13, 2024, I conveyed the agreement and/or non-opposition to the notice to the Secretary's Bureau.

After reviewing the procedural and litigation schedule proposed by the parties, on June 14, 2024, I sent the parties a schedule revised to reflect the publication and response dates reflected above and a few other changes that did not impact the dates for delivery of main briefs, reply briefs or the date of the Public Meeting at which the Recommended Decision would be reviewed by the Commission. None of the parties expressed an opposition to the proposed changes to the procedural and litigation schedule.

This order memorializes the procedural matters addressed at the prehearing conference and in subsequent exchanges with the parties.

THEREFORE,

IT IS ORDERED:

The parties retain their right to file a complaint against the interim DSIC tariff filing on other grounds (*e.g.*, challenging whether the costs were tied to DSIC-eligible investments).

2. That no later than July 10, 2024, OCA and OSBA shall each confirm their request for one or more public input hearings in connection with this proceedings or the waiver thereof. 5. That the due date for the Reply Briefs is firm and nonnegotiable.

6. That any provision of this prehearing order may be modified upon motion and good cause shown by any party in interest in accordance with 52 Pa. Code § 5.223(a).
