**PHILADELPHIA GAS WORKS’
PRELIMINARY OBJECTION TO FORMAL COMPLAINT**

Philadelphia Gas Works (“PGW” or “Respondent”) submits the following Preliminary Objection to the Formal Complaint of Terria Wilks (“Complainant”) served by the Secretary of the Pennsylvania Public Utility Commission (“Commission” or “PUC”) on May 29, 2024 (“Complaint”). Pursuant to 52 Pa. Code §§ 5.61, 5.62 & 5.101(d) of the Commission’s regulations, PGW filed an Answer with New Matter to the Complaint on this same date. In support of this Preliminary Objection, PGW states as follows:

I. INTRODUCTION

As more fully set forth in PGW’s Answer with New Matter, Complainant is alleging incorrect bills were issued prior to 2009, which is beyond the statute of limitations at 66 Pa.C.S. § 3314. Additionally, any allegations regarding incorrect bills issued prior to August 21, 2023 have been previously decided in a prior proceeding at Docket No. C-2023-3042340 and are thereby barred by the doctrine of res judicata.

II. LEGAL STANDARDS FOR PRELIMINARY OBJECTIONS

1. The Commission’s Rules of Administrative Practice and Procedure permit the filing of preliminary objections.¹ The Commission’s procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice.²

2. Under Section 5.101(a) of the Commission’s regulations, preliminary objections must specifically state the legal and factual grounds relied upon and be limited to the following:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding;

¹ 52 Pa. Code § 5.101(a)(1)-(7). *Equitable Small Transportation Interveners v. Equitable Gas Company*, 1994 Pa. P.U.C. LEXIS 69, Docket No. C-00935435 (July 18, 1994).

² *Id.*

- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter;
- (3) Insufficient specificity of a pleading;
- (4) Legal insufficiency of a pleading;
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action;
- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution; and
- (7) Standing of a party to participate in the proceeding.

3. The moving party may not rely on its own factual assertions but must accept for the purposes of disposition of the preliminary objection all well-pleaded, material facts of the other party, as well as every inference fairly deducible from those facts.³ However, the Commission need not accept as true conclusions of law, unwarranted inferences from facts, argumentative allegations or expressions of opinion.⁴

4. In deciding the preliminary objections, the Commission must determine whether, based on the well-pleaded factual averments of the party, recovery or relief is possible.⁵

III. PRELIMINARY OBJECTIONS BY PGW

5. PGW's responses to Paragraphs 1 to 7 of the Complaint are incorporated herein by reference. In addition, PGW's New Matter to the Complaint is also incorporated herein by reference as well as any exhibits attached thereto.

A. Dismissal Based on Lack of Commission Jurisdiction

6. Section 5.101(a)(1) of the Commission's regulations permits a party to file a preliminary objection based on the lack of Commission jurisdiction. To act on the Complaint, the Commission must have jurisdiction. The Commission, as a creation of the General Assembly, has only the powers and authority granted to it by the General Assembly contained in the Public Utility Code. The Commission must act within, and cannot exceed, its jurisdiction. Jurisdiction may not be conferred by the parties where none exists. Subject matter jurisdiction is a prerequisite to the exercise of power to decide a controversy.

7. The statute of limitations at 66 Pa.C.S. § 3314 is a jurisdictional issue. It requires that

³ County of Allegheny v. Cmwlth. of Pa., 490 A.2d 402 (Pa. 1985).

⁴ Stanton-Negley Drug Co. v. Dep't of Pub. Welfare, 927 A.2d 671, 673 (Pa. Cmwlth. 2007).

⁵ Department of Auditor General, et al. v. SERS, et al., 836 A.2d 1053, 1064 (Pa. Cmwlth. 2003); P.J.S. v. Pa. State Ethics Commission, 669 A.2d 1105 (Pa. Cmwlth. 1996).

any complaint seeking relief under the Public Utility Code be brought within three years from the date at which the liability therefor arose. As a jurisdictional issue, the statute of limitations and the Commission's lack of jurisdiction may be raised at any time. *See, e.g., Application of Laurel Pipe Line Company*, Docket No. A-2016-2575829 (Order entered July 12, 2018) and *Hasty v. Philadelphia Gas Works*, Docket No. C-2014-2419203 (Final Order entered January 27, 2015).

8. The Complainant filed the instant Complaint on May 29, 2024.

9. The Complainant is alleging that her bills prior to 2009 were incorrect.

10. All allegations and claims regarding the accuracy of bills issued prior to May 29, 2021, fall outside the applicable statutory period of limitation and are barred under 66 Pa.C.S. § 3314.

11. All allegations and claims regarding the accuracy of bills issued prior to August 21, 2023 have been previously decided in a prior proceeding at Docket No. C-2023-3042340 where the parties had an opportunity to appear and be heard and are thereby barred by the doctrine of res judicata.

IV. CONCLUSION

WHEREFORE, PGW respectfully requests that this Commission grant PGW's Preliminary Objection, dismiss issues raised in the Complaint regarding the accuracy of bills issued prior to May 29, 2021 as beyond the statute of limitations, bar issues raised in the Complaint regarding the accuracy of bills issued prior to August 21, 2023 under the doctrine of res judicata, and grant any other relief to PGW that is deemed to be reasonable and appropriate.

Respectfully submitted,

/s/ Graciela Christlieb
