RE: Bond Rider and Verification Certificate
nTherm LLC
A-2018-3006576

Dear Mr. Vastine,

Please find under cover of this letter the financial instruments filed with the Commission on behalf of nTherm LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The line indicating the date on which the instruments were signed and sealed is July 5, 2024. This future date is not acceptable and must reflect the actual date the bond is signed and sealed by the issuer.

Please file the **corrected, originally signed and sealed security** instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta
Secretary of the Commission
