Docket Number: R-2024-3047822 (corrected)
Aqua Pennsylvania Wastewater
Docket Number: R-2024-3047824 (corrected)

Dear Representative Cabell:

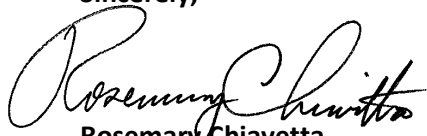

Thank you for your letter dated June 14, 2024, to the members of the Pennsylvania Public Utility Commission regarding the above captioned rate increase proposals filed by Aqua Pennsylvania Water and Wastewater Companies (Aqua) at the above docket numbers, now pending before the Commission.

Please know that both rate cases have now been suspended for investigation and assigned to the Office of Administrative Law Judge for hearings. Since these rate cases are now contested proceedings pending before the Commission, the Pennsylvania Public Utility Code prohibits ex-parte communications at 66 Pa. C.S. Section 334(c). Therefore, members of the Commission are prohibited from responding to correspondence or discussing issues regarding these rate increase proposals.

Therefore, please be advised that I am placing your letter dated June 14, 2024, and this letter of response on the record of the above docket number in order to cure any possible ex-parte communication, and to also make public your concerns regarding the rate increase proposals filed by Aqua.

Finally, if you and your constituents wish to further participate in these rate cases, I am copying the Commission's Legislative Director to assist you further.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission

CC: J. J. Livingston, PUC Legislative Director
