Re: Electric Generation Supplier License of Arise Energy, LLC

Dear Ms. McLean:

On April 30, 2024, Breakerbox, LLC (Breakerbox) filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a broker/marketer, to Arise Energy, LLC (Arise Energy).

Currently, Breakerbox is licensed as Breakerbox, LLC as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

Arise Energy has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, Arise Energy has provided an update to its financial security instrument reflecting its new name.

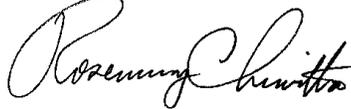

Therefore, the Commission approves, by this Secretarial Letter, the change of Breakerbox, LLC's name on its license for the provision of electric generation services as a broker/marketer.

The Secretary's Bureau will issue a new license to Arise Energy, LLC the right to begin to offer, render, furnish, or supply electric generation services as a broker/marketer to residential, small commercial (25 kW and under demand), large commercial (over 25 kW demand), industrial, and governmental customers in all of the electric distribution company service territories throughout the Commonwealth of Pennsylvania.

The Secretary's Bureau and the Bureau of Administration, Financial and Assessments will update the company's name in their computer systems and lists, as appropriate, to be Arise Energy, LLC.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,
