Sample Disclosure Statement Format for Natural Gas Suppliers

This is an agreement for natural gas services, between (NGS name) and (customer's name and full address).

Background

We at (NGS name) are licensed by the Pennsylvania Public Utility Commission to offer and supply natural gas services in Pennsylvania. Our PUC license number is (A-XXXX-XXXXXXX).

- Commodity prices and charges are set by the natural gas supplier you have chosen. The Public Utility Commission regulates distribution or delivery prices and services.
- *Include one of the two following options:*
 - You will receive a single bill from (billing agent name) that will contain (NGDC name) charges and (NGS name) charges.
 - You will receive a separate bill from (NGS name) for generation charges and a separate bill from (NGDC name) for its charges.
- Right of Rescission - you may cancel this agreement at any time before midnight of the third business day after receiving this disclosure. You can contact us by phone, in writing or electronically (if available) to cancel this agreement. See Section (X) for how to contact us.

Definitions

Define any terms that may not be commonly understood by consumers. See the glossary on www.pagasswitch.com for standard definitions.

- Commodity charges: *The charges for basic gas supply service which is sold either by volume (Ccf or Mcf) or heating value (Dekatherms).*
- Nonbasic Charges - *Define each nonbasic service being offered.*

Terms of Service

1. **(a) Basic Service Prices** - *Itemize Basic Services you are billing for and their prices.*

Include one of the following options:

FIXED PRICE: You will pay (NGS Price) per (Mcf/Dth/ccf) for the commodity of natural gas.

- *Explain what is included in this price. The NGS's basic service price should include everything that is included in the NGDC's Price-to-Compare. Suggested language: "This price includes natural gas commodity charges, estimated Total State Taxes, but excludes applicable state and local Sales Tax."*

VARIABLE PRICE: You will pay a variable price that can change (monthly, quarterly, etc.). The price for the first billing period will be (NGS price).

- *Explain what is included in this price. The NGS's basic service price should include everything that is included in the NGDC's Price-to-Compare. Suggested language: "This price includes natural gas commodity charges and estimated Total State Taxes, but excludes applicable state and local Sales Tax."*
- *Suppliers are to include any variable pricing conditions and limits. If there are no limits, the NGS shall clearly and conspicuously state that there is no limit on how much the price may change from one billing cycle to the next. Information on the limits of price variability, or the lack of limits, must appear in a larger type size. The customer also needs to be informed of when and how they will receive notification of price changes. For example, if the customer is not going to be notified of price changes until the new price appears on their bill, the customer should be informed of this. If the customer will be receiving advance notice of price changes, the customer should be told when and how these notices will be provided.*
- More information about this variable price product, including what this price has been for the past 24 months, can be found at (www.companywebsite.com) or you can call ((XXX) XXX-XXXX). However, please remember that past prices do not indicate present or future prices.

INTRODUCTORY PRICE: You will pay an Introductory Price of (NGS Price) per (Mcf/Dth/ccf) for the commodity of natural gas for the first XX months/billing cycles. After this Introductory Price expires, you will pay (NGS Price) per (Mcf/Dth/ccf) for the commodity of natural gas.

- *Explain what is included in this price. The NGS's basic service price should include everything that is included in the NGDC's Price-to-Compare. Suggested language: "This price includes natural gas commodity charges and estimated Total State Taxes, but excludes applicable state and local Sales Tax."*

If the price is variable, the information found above concerning VARIABLE PRICES must be included.

The print size for this section must be larger than the print in the rest of the agreement.

6. Cancellation Provisions - This category may consist of both customer initiated cancellation provisions and supplier initiated cancellation provisions.

7. Agreement Expiration/Change in Terms

If you have a fixed duration contract approaching the expiration date, or whenever we propose to change the terms of service, you will receive two separate written notifications, the first approximately 60 to 75 days in advance and the second 45 days in advance of either the expiration date or the effective date of the proposed changes. These notifications will explain your options going forward.

If an assignment occurs, the NGS shall provide notice to the affected customer, the affected NGDC and the Commission. The customer notice must include the name of the new NGS, the contact information for the new NGS and language informing the customer that contract terms and conditions remain unchanged. See 52 Pa. Electronic Data Interchange and Internet Requirements

Any NGS suppliers and/or broker/marketers that wish to use the Electronic Data Interchange (EDI), in the NGDCs where its available, must meet the EDI certification requirements of the NGDC. Certification is a testing process using the Commission approved Internet protocol. To initiate this process, the NGS is encouraged to contact the NGDC as early as possible after filing an application for a license with the Commission, since certification may require as many as four months to complete and customer service contract dates may not commence prior to certification. NGDC requirements of new suppliers may be found on the respective NGDC home web page. Pennsylvania's industry stakeholder group the Electronic Data Exchange Working Group (EDEWG) develops and maintains the EDI transactions and related business practices, which are found on the Pa. PUC website at http://www.puc.pa.gov/filing_resources/issues_laws_regulations/electronic_data_exchange.aspx. The EDEWG meets telephonically the first Thursday of each month at 2:00pm ET to discuss EDI change control requests and other issues.

To keep current with Pennsylvania EDI practices and policies, a newly licensed NGS may choose to participate in the EDEWG by contacting the following:
