RE: Natural Gas Supplier License Application

Dear Mr. Stern:

On June 19, 2024, the Pennsylvania Public Utility Commission (Commission) received Integrity NRG Services of Pennsylvania LLC's Application for a Natural Gas Supplier (NGS) license.

Sections 1.c, 1.e, 5.a, 5.b, 7.a, 11.a, and 11.b of the Application were incomplete or not properly completed (ex. #5.a N/A is not an acceptable answer, however if none to report, response should be "None", #11.a and #11.b providing affidavits from the Electric Generation Supplier license application). In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilings system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilings system and strongly recommends companies open an efilings account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilings system will ensure that submissions by the company are received timely and receipt can be verified.
