Re: Pennsylvania Public Utility Commission v. City of Lock Haven Water Department, Docket No. R-2024-3049248; and
Petition of the City of Lock Haven Water Department for Authorization to Implement a PENNVEST Surcharge, Docket No. P-2024-3049249

Dear Secretary Chiavetta:

Enclosed on behalf of City of Lock Haven Water Department (“Lock Haven”), please find Supplement No. 21 to Water – PA P.U.C. No. 1 which suspends the rate effective period to May 1, 2025.

Pursuant to the Commission Order entered on July 11, 2024, the Commission instituted an investigation of Lock Haven’s proposed rate request, assigned the matter to the Office of Administrative Law Judge for Alternative Dispute Resolution, if possible, and the scheduling of hearings, and directed Lock Haven to file a tariff supplement announcing that the tariff filed on May 24, 2024 was suspended until March 2, 2025, unless permitted by Commission Order to become effective at an earlier date. Lock Haven and the parties subsequently agreed to participate in mediation of this matter, and as such, Lock Haven is further suspending the effective date for an additional 60 days pursuant to 52 Pa. Code § 69.392(d)(2), until May 1, 2025. Copies to be served in accordance with the attached Certificate of Service. Please contact me with any questions or concerns.

Sincerely,
Lauren M. Burge
