Better Choice Moving, LLC

PETITION FOR RECONSIDERATION FROM STAFF ACTION

Applicant, Better Choice Moving, LLC, by and through undersigned counsel, petitions for reconsideration from staff action and states as follows:

1. Applicant filed an Application to Begin Service as a Motor Common Carrier of Household Goods In-Use on July 4, 2024 at the above Docket.
2. The Commission, via TUS Staff, served Applicant with a Data Request Letter on July 10, 2024.
3. Applicant (who was pro-se at the time) timely filed a Reply to the Data Request on July 22, 2024, but accidentally did so under the docket number for its concurrent Application to Begin Service as a Motor Common Carrier of Property, A-2024-3049983.
4. Because the Reply to Data Request was filed under the incorrect docket number, it was not considered by TUS Staff, and a Secretarial Letter was issued on July 23, 2024 denying Applicant's Household Goods application for failure to provide the requested information.

WHEREFORE, Applicant respectfully requests Reconsideration From Staff Action, for Staff to rescind the secretarial letter dated on July 23, 2024, reopen its application, and re-docket its Reply to Data Request under Docket A-2024-3049983 for consideration.

Respectfully submitted,
