Dear Secretary Chiavetta:

Pursuant to the Commission-approved settlement at the above referenced docket, CUPA is submitting this quarterly report regarding its low income pilot program for water customers.

CUPA has had 78 unique customers request participation in the program. CUPA has contracted with Dollar Energy for administration of eligibility determinations for the program. CUPA has submitted the list of low-income applicants to Dollar Energy. Dollar Energy is continuing to review applicants for eligibility and uses 3 methods of communication (phone call, letter, and email).

Dollar Energy has confirmed 9 applicants as eligible. These customers are being billed at the low-income rate. The total consumption for these customers in the second quarter 2024 is 116,803 gallons. The associated revenue surplus attributable to low-income rates participation from February 2022 through June 2024 is \$201,840.
