RE: Petition of the Tri-Valley Water Supply, Inc. for a Time Extension to Submit a Lead Service Line Replacement Program

Dear Kristen Tubbs:

On June 21, 2024, Tri-Valley Water Supply, Inc. (Tri-Valley) filed a petition for approval of its Lead Service Line Replacement program (LSLR Petition) with the Pennsylvania Public Utility Commission (Commission). On July 26, 2024, Tri-Valley filed the above-captioned document (Time Extension Petition) with the Commission that acknowledged it had filed a partial LSLR Petition and requested a time extension to file the remaining information required to complete its LSLR Petition. Pursuant to Section 65.55(a) of Title 52, 52 Pa. Code § 65.55(a), a Class B public utility, Class C public utility or municipal corporation is to file a LSLR program within two years of the effective date of the section, or by July 22, 2024. Through the Time Extension Petition, Tri-Valley requested that the deadline be extended to December 30, 2024, to allow Tri-Valley the additional time needed to accumulate the required information and to design its LSLR Program. Please be advised that the deadline for Tri-Valley to file a complete LSLR Petition is hereby extended to December 23, 2024.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition for reconsideration from the actions of staff with the Commission within 20 days of the date this letter is served. Should you have any questions, please contact Matthew T. Lamb, P.E. in the Bureau of Technical Utility Services via email at mlamb@pa.gov or telephone at (717) 783-1001.

Sincerely,

Rosemary Chiavetta
