RE: Registration of Securities Certificate

Dear Mr. Hassell:

Section 1903(a) of the Public Utility Code, 66 Pa. C.S. 1903(a), provides that a Securities Certificate shall be deemed registered if a written order is not extended at the end of the thirty (30) days after the filing of the Securities Certificate, unless the Commission extends the thirty day period. In order to adequately review this Securities Certificate, it is necessary that the consideration period be extended.

Therefore, please know that the period for consideration of the Securities Certificate filed on July 2, 2024, is extended until further order of the Commission. If you are dissatisfied with this extension, you may file a Petition for Review from Staff Action at 52 Pa. Code Section 5.44 within twenty (20) days of the date of this Secretarial Letter.

If you have further questions, you may call the Commission's Bureau of Technical Utility Services at 717-738-5242.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Rosemary Chiavetta
Secretary
