RE: Continuous Bond  
Summit Energy Services Inc  
A-2009-2143682

Dear Sir/ Madam,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Summit Energy Services Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**The line indicating the date on which the instrument was signed, sealed and dated is August 31, 2024. This future date is not acceptable and must reflect the actual date the bond is signed and sealed by the issuer.**

Please file the **corrected, originally signed and sealed security** instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Rosemary Chiavetta  
Secretary of the Commission
